

Texas Annie

“Legend of the Moan Ranger”

by Jennifer Howd & Ross Mihalko

EXT. THE DESERT - DAY

Various shots of the still and serene Texas desert.

NPR RADIO HOST (VO)

Welcome back to "This Texan Life."
In 1973, the Texas Legislature
passed a law prohibiting the sale
and ownership of dildos, fake
vaginas, and any and all items
designed for the stimulation of
human sex organs. A renegade sex
toy smuggler emerged to save the
day.

(beat)

This is her story...

Cue MOAN RANGER RAP INTRO.

A BAD-ASS CLASSIC CAR with Texas tags and a "Masturbation Nation" bumper sticker blazes into frame and tears down the highway.

We see various close-ups inside the: a silver bullet vibrator, an open package of "Kitty Carpet Reusable Downstairs Toupee's; Ben Wa balls dangling from the rearview mirror.

Close up on a hand turning on the radio.

The car pulls off the main road into the barren desert, kicking up dust as it skids to a halt.

The door flings open, and the camera swings around to reveal TEXAS ANNIE/THE MOAN RANGER (wearing a black cowgirl outfit, a ten gallon hat, and a fake mustache).

ANNIE

(Rapping)

Just this afternoon
I wasn't that great...

Shot of meek Annie leaving a sex toy store and turning the "open" sign to "closed - permanently."

ANNIE (CONT'D)

I was quiet and shy-
Thought that was my fate.

Shots of meek Annie transforming into the Moan Ranger.

ANNIE (CONT'D)

Then I made-over
my hair and my clothes.

ANNIE (CONT'D)
 And I got a disguise
 that goes under my nose.

Back in the Desert. Annie opens the trunk of her car - it's full of sex toys.

ANNIE (CONT'D)
 Now I got purpose.
 Now I got poise.
 Now I deliver *all* the sex toys.

Shot of Annie delivering a star-spangled dildo to a burnt-out WAR VET in a wheelchair and his WIFE.

ANNIE (CONT'D)
 With a little bit of lube and a
 pager
 made you feel more real
 than you've ever felt before
 and there's more in store...
 Yah, there's more in store...

TEXAS ANNIE/THE MOAN RANGER rapping in the desert.

ANNIE (CONT'D)
 (to the camera)
 'cause I'm ten feet taller
 than an hour ago,
 bringing' the flow
 in between your thighs
 open your eyes - I'm the prize
 fighter
 in the ring of love,
 put on the gloves
 and meet the game changer
 'cause I'm the Moan Ranger...

A chorus of HOT COWBOYS AND COWGIRLS comes out of nowhere and surrounds her as she passes out dildos and various sex toys whilst dancing with all the sexy people.

HOT COWGIRLS AND COWBOYS
*Ooooooh...Yahhh... She 's coming to
 save the day...*

ANNIE
I'm the Moan Ranger.

HOT COWGIRLS AND COWBOYS
Ooooooh...Yahhh...

ANNIE
Hi-yo, dildo! Away!

Annie opens a suitcase and shows off her goods to the camera.

ANNIE (CONT'D)

If you are horny,
you don't have to fuss -
'Cuz I got more product than Toys
R' Us.

Shot of Annie delivering a giant dildo to an empty stately-looking desk with a "Ted Cruz (R)" nameplate on it and Texas and U.S flags in the background.

ANNIE (CONT'D)

Yeah, I know it's illegal
what I am doing.
But why should the government
do all the screwing?

Annie swings her silver bullet vibrator with retractable chord over her head like a lasso.

ANNIE (CONT'D)

If you've got needs,
you don't have to hide.
Cuz' I'm gonna liberate you
from the inside...
Take a ride on my silver machine
You over eighteen?
I'm the King to every size Queen.

Shot of Annie delivering sex toys to nuns at a Mission/Church.

ANNIE (CONT'D)

Pubic enemy number one
top gun,
bringin' the fun
where there was none
sit down - I ain't close to done
I got more
Yeah, there's more in store...

Annie, bad-ass, standing on top of her car throwing sex toys to the adoring crowd surrounding her.

ANNIE (CONT'D)

'cause I'm ten feet taller
than an hour ago,
bringing' the flow
right up into your face
have a taste
of my ace
in the hole.

coming to save the day...

ANNIE

HOT COWGIRLS AND COWBOYS

ANNIE
Hi-yo, Dildo! Away!

ANNIE smiles from the car's driver's seat.

ANNIE (CONT'D)
(spoken)
Another satisfied customer.

She hits the gas and peels off down the road, leaving the hot cowboys and cowgirls collapsed in a pile of orgiastic glee.
